“ Steve was a great guy to work with. He will be missed by all of his coworkers here at the City of Tallahassee. He loved his family very much and frequently talked about them. Steve also loved his pets, hiking, and always looked forward to going back home visiting and spending time with his family. Steve always brought a level of professionalism and dependability to his job that was appreciated by all that worked with him! He took great pride in being a machinist. Steve will be missed!
