“ It's taking me a while to write about my brother. I have been in disbelief and devastated. We were supposed to be growing old together. We made many jokes about it. He told me he was coming to see us at Christmas. God had plans for him and sent him home. Thatcher I will miss our conversations that you and I had. We uplifted each other when we were down. I will miss your silly laugh. You were taken too soon. I know you are in a better place. I am glad that I had you as my biggest brother. Your nephews (my sons) will miss you Cowboy. I know I will see you again. I love you and miss you so much. Love your Sis, Nina

I am devastated at the loss Thatcher. I was his supervisor at Allied Universal Security for 4 years, and he was like my little brother. We talked all the time and he was always there when I needed him work. He talked about his family a lot and how proud he was of his son. He loved his mom and dad and his grandma, I wish I could have seen you all. If there is anything I can do please let me know. God Bless you all.
