“ That dark plane with Tom saluting in front is a B-25 like he once owned. The other photos are also from the Naval Air Museum in Pensacola. We are in front of a Navy P5M seaplane, tail number 5533. I actually flew as a crewman aboard it when VP-50 had it in San Diego. It is the last P5M seaplane in existence.

“ One of my favorite pictures of my cousin Big Tom taken last June when I visited him from Seattle. It is at his favorite seafood restaurant-Shell Oyster Bar-at Florida State where Tom, cousin Jimmy and I had lunch. I will miss my cousin very much but his memory will forever burn brightly.
Cousin Tommy.
