“ *I was so shocked to see that Tom had passed. Tom was always such a joy and a great guy to do business with. Over the years I had bought six autos from him. He always had a smile and a warm heart for everyone. I can see him now fishing in that big sky. Loved doing business with you man. Gloria*

“ *My husband, Dave and I have very fond memories from our younger days here in Greenfield, In. Daves best friend from childhood until Tom moved to Florida. I literally had just got in contact with him Friday the day before he passed as I wanted to plan a trip for Dave to come down and go fishing. This is such a shock and tragedy. Rest in Peace our dear friend.*

“ *Tom was a very caring person. I am so glad he was a part of our lives, as a brother, and friend. I always enjoyed our chats when I was cutting his hair. I will miss you my friend..*
