“ As I always say to know you was to love you. Your soul was so pure and kind hearted. The day we clicked I loved you ever since. It was more than a friendship you were my family. My sister. Not a day go by that I don't think of you. Your name will forever live on. I love you. I love you. It hurt to know your finally at rest but at least your at peace. Forever us. Watch over us down here. You'll forever be missed!💔 #ripbabygirl #forever21
