*Fly high and free my "Yeeky". Your place in my heart has been sealed by this passing, however the memories are signed and delivered. I thank God for giving us you. You had such an impact on those who truly knew you, your family especially. When I close my eyes, I see you, and then...my heart smiles. I love you, ALWAYS.*

*Tuliek, I know you have a purpose in this world to show us all how others' stares and judgements affect individuals on a level that they don't see. Being considered blind, is a challenge. But, you gave this life your all, and you expressed your truth. You will be on my mind; taught me from your perspective. I love you so much. Your cousin, Natalie.*
